Hello Dan,

I received a call from Magaly stating that she has not received a call from Jessica, but, that she called Jessica on July 2nd and due to a big fight that happened in the hotel they are staying at.

She further stated that her children were really frighten by the situation. Magaly mentioned that Jessica, told her that her family currently does not qualify for any further assistance. Magaly is trying to figure out where she and her family can go and needs further assistance with looking for housing, child-watch, while she also goes and looks for work.

If you know of other resources or organizations that can assist her please let me know so that I may communicate that to her.

Thank you,

Hi Susie,

I am copying our management team for family housing navigation. While we would need a release of information to share details related to any of our participants, Ashley and Monica can follow up with our Housing Navigator Jessica Ponce to see what is going on with Ms. Aguilar is she is enrolled in our programs. If she is enrolled, Ashley and Monica can work with Jessica to provide additional support.

Thank you,
Dan

Hello Elyssa,

I hope this email finds you well.

I am reaching out to you in hopes that you can assist me with a case.

Today I received a visit from a constituent who is having some trouble obtaining permanent housing. She is currently an LAFH recipient and says she and her family have been homeless for the last year.

All 6 of them are currently residing at [REDACTED]. The family consist of 2 adults (mom & dad) & 4 children 14 year old, 8 year old, 3 year old, and a 1 year old who has some health issues.

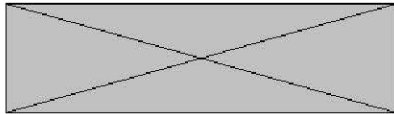

I would like to know what the status of her case is. Constituent is [REDACTED] [REDACTED]. Her Case worker is Jessica Ponce. Magaly states that wishes she can have more assistance in finding a permanent place to live.

Magaly's oldest daughter is 14 years old and she is having a real hard time going thru this period of their life, she is severely depressed, acting out and has had an attempt to commit suicide.

Magaly is in desperate need of services so she can leave the children at a location for a few hours

while she goes and looks for a place to live.

Thank you in advance for your assistance in this case,
